

PRINCE PATIAL

Hamirpur (H.P.) | (+91) 8580524080 | princepatial20@gmail.com | [LINKEDIN](#) | [GITHUB](#)

WHY ME?

Proficient full-stack developer skilled in building responsive, intuitive web applications and ensuring smooth user experiences. Experienced in developing scalable APIs and managing efficient database operations.

EDUCATION

Master of Computer Application, Himachal Pradesh Technical University, CGPA- 7.95	2022-2024
Bachelor of Computer Application, Himachal Pradesh University, CGPA- 7.13	2018-2021

SKILLS

Technical Skills: HTML, CSS, JavaScript, React.js, Next.js, Node.js, Express.js, MongoDB, MySQL, REST APIs, Firebase, Redux, Tailwind CSS.

Tools: VS Code, Postman, Git, GitHub, Jira, Bitbucket.

WORK EXPERIENCE

Full Stack Developer, [Cyberbells](#) Mar 2025 – Present

- Working on new features and improvements for MERN-based applications, focusing on clean UI and smooth user experience.
- Handling backend logic, secure authentication, and performance updates to keep the application stable and efficient.

MERN Stack Developer, [Ocena Smart Solutions](#) April 2024 – Feb 2025

- Developed and maintained MERN applications for client projects, including dashboards, APIs, and database operations.
- Improved existing systems by fixing bugs, adding integrations, and optimizing code for better performance.

PROJECTS

[Church Translator Website](#) | [LINK](#)

- Built a multi-role system (Admin, Super Admin, User) where each church sees and manages its own registered users and database.
- Implemented a CI/CD pipeline to automatically deploy code updates to the server for faster and reliable releases.

[TalkBrush](#) | [LINK](#)

- Developed an accent-based conversation platform where users can listen to and practice suitable accents with audio playback.
- Added dashboard management with secure authentication and role-based access (Admin / Super Admin) for handling users and system data.

[Employee Management Application](#) | [LINK](#)

- Added dashboard management with secure authentication and role-based access (Admin / Super Admin) for handling users and system data.
- Added Admin and Super Admin panels to manage employees, roles, leave approvals, and all organization-level data.

CERTIFICATES

MERN Stack Development, [Excellence Technology](#) Sept 2024

Front End Development, [Simplilearn](#) Jan 2024

ACHIEVEMENTS

- Ranked 1st in Bhartiya Sanskriti Gyan Pariksha.
- Got 3rd Position in a College Level debate competition.
